Claims 20-24, 26-38 are pending in this application.

Claim 35 stands withdrawn as being directed to non-elected subject matter.

Claims 20-24, 26-34 and 36-38 will presently be examined.

Claims 20-24, 32-34 and 36-38 are allowed.

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 26-31 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 26-30 recite "said terpenic derivative" and claim 31 recites "said terpenic derivative(s)." There is no antecedent basis for "terpenic derivative" or "terpenic derivative(s)."

Applicant is advised that should claim 35 be amended to be properly rejoined, said claim should address the "other ingredients" phrase, which was previously found to be indefinite in the context of claim 36.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
